

## Eyelid Surgery Pre-operative Instructions

Your surgery date is \_\_\_\_\_ and if you are taking any blood thinner medication/s (**Aspirin, Coumadin, Plavix, Motrin, Naprosyn, etc**) you must **STOP** using it (\_\_\_\_\_) days prior your surgery. (Pending your primary care doctor's approval as needed please)

1. Do not eat or drink anything 8 hours prior to your surgery arrival time, including water, gum and breath mints.
2. Transportation: Please have someone accompany you to and from the surgery center the day of surgery.
3. Clothing: Wear a comfortable pair of pants or skirt and a **button-down** shirt or blouse. \*\*\*Please do not wear any jewelry. Leave all valuables at home.
4. Bathing: Please bathe or shower before surgery. You should wash your hair. No facial make-up or eye make-up should be worn the day of surgery.

**You and your eyes are important to us.**
